

23.05.2017

### **Notice for INAM-Pro Cement Sellers**

The upgraded version “*INAM-Pro +*” has been made live w.e.f. 22.05.2017. The new portal has been equipped with enhanced horizons covering most the Infrastructure Materials and Machinery.

Cement Sellers had uploaded their products, stock details alongwith ceiling price information on the earlier version of INAM-Pro. All such data has been transferred to the new portal INAM-Pro+ by the System Administrator but the same needs to be reconfirmed/authenticated by the respective Sellers. The Sellers are requested to carry out following tasks:

- a) Checking of Seller’s profile, product details and corresponding ceiling prices etc.
- b) Uploading of product images, specifications, BIS certification and other information to promote the product.

It may be noted that the Sellers are expected to report any discrepancy in the transferred data by 31.05.2017 (1500hrs) on email id: [support-inampro@nic.in](mailto:support-inampro@nic.in) for necessary rectification by the System Administrator.

A Sellers’ manual has been uploaded on the portal [www.inampro.nic.in](http://www.inampro.nic.in) for guidance under Manuals Tab on home page and any clarification may be sought by writing to us at feedback section on portal or email us at [support-inampro@nic.in](mailto:support-inampro@nic.in) or calling at 011-23461645/80, +91 72920-03730 or +91 9896-104278.
