Ministry of Road Transport and Highways, Government of India has developed INAM-Pro+ the first of its kind web portal for Infrastructure and Materials Providers.

Launched by Hon'ble Minister, Shri. Nitin Gadkari on 1st June 2017. Multiple products relating to Cement, Steel, Intelligent Transport System, Road Safety, Infrastructure Equipment etc are getting uploaded on the portal everyday. Currently, 849 Buyers and 212 Sellers have registered. More than 650 Products ranging from high value items like Concrete Batching Plant costing Rs. 23,324 Crore to small items like road studs costing Rs. 100/- only.

HISTORY

Initially launched on 10th March 2015, in its early stages included only cement sellers and buyers. 36 Cement Companies with 151 plants located all over India were registered on the portal. This made the comparison of prices, availability of materials etc. quite convenient for the prospective buyers i.e. Government Contractors. It reduced the time and effort in cement procurement at right price.
